Does this apply to our commercial properties as well?

Jimmy Han

> As most of you have discovered, the roll-out of RecycLA's Waste Hauler Franchise Program has greatly increased rates of commercial property owners and multifamily dwellings in our district. In December, I was told that the BIDs also needed to contract with the 7 companies that were awarded contracts in the program. Good News! Commissioner Repenning of the Board of Public Works and Dan Meyers from LA Sanitation, agree that because we do not remove commercial trash, only public trash, we do not fit within the parameters of the REcycLA program.
